NOTES AND PRECIS.

D. No. 9576 S.N. 1

The Foot ball Ground referred to by the Commissioner of Police, is presumably the Police Parade Ground which the Police Sports Club was allowed to use when the ground was not required for Police Parades etc. If this is so, Resident's sanction was necessary for the erection of a pavilion there even if the cost was not met by Government. - vide paras 32 and 33 of file 62/1931. There are no records to show that Sir Richard Burke ever accorded sanction to the construction of the pavilion or to show that he accepted the proposal to make a present of it to the Police Sports Club. It will not therefore be binding on the Govt. to meet the cost of the pavilion, if such a question should arise.

If Resident approves, however, the Police Sports Club may now be permitted to bear the cost of the pavilion, ~~and for this purpose~~ the Commissioner's proposal to sanction a tote for the Jutka Poney Race at the proposed fair may be approved.

Submitted for orders whether this may be done and also whether Resident would like to be a patron of the proposed Fair

4. There is a Police parade ground (Govt. property) on which a "shelter" was built by Govt. at a cost of Rs. 2,200/-. The contractor who built the shelter was Mr. Chinnaswamy Mudaliar. The Police Sports Club is allowed "to use the Building and land for sports purposes when they are not required for parade and other Govt. purposes".

5. Please ascertain at once by personal Enquiry

(a) whether the football ground is a part of this parade ground.

and (b) whether the pavilion constructed by Mr. Chinnaswamy Mudaliar (value 2,000 is the same Building as that which is referred to as a "shelter" in para 4 above, or is an entirely different Building.

6. If it is the case that the football ground is a part of the Govt. parade ground which the Police Sports Club is allowed the use for sports only when it is not required for parade or other Govt. purposes, how does it come about that Govt. & Police has

actually let the ground for one day a week for 6 months for Rs. 1200/- and (plausibly) credited the lease money to the Sports Club? Did he even consult us before he did this? (The propriety of leasing out a piece of Govt land and crediting the lease money to the Sports Club seems to be open to grave doubt).

7. If the "pavilion" is the same building as that which is referred to in para. 4 as a "shelter" for Reserve Police, the question of paying Mr. Chinnaswamy Mudaliar a further sum of Rs. 2,000/- does not appear to arise, as he has already been paid the full cost of the building by Govt. - If it is an entirely different building, this appears to be the first that we have heard of it; and the question arises how it ever came to be erected on Govt land without Regd's formal sanction.

8. Finally, if the football ground is a part of the Police parade ground, the question arises whether it would be proper for Regd to sanction the holding of a Fair, with jutka-pony racing, tote etc. on it

pension funds, and the existing fund proceeds to the Police Sports Fund and Residency Central Charities.

9. Please examine all these points urgently.

Para 5.

(a) I have made personal enquiries in the matter and have seen the ground. It has been ascertained from Mr.Roberts, Sub Inspector of Police that the Police Football ground is a part of the Government Parade ground.

(b) The pavilion constructed by Mr. Chinnaswamy Mudaliar (value Rs.2000) is entirely a different building. There are two shelters; the one constructed at Govt. cost is used by the Police Officers as Police Sports Club and the other for which Mr. Chinnaswamy Mudaliar now demands payment is used by the public when witnessing the footbal, hockey matches etc

Para 6.

11

There is no doubt that the football ground is a part of the Government Parade ground. The action of the Commissioner of Police in letting the ground for one day a week for 6 month for Rs.1200/- without the orders of the Hon'ble the Resident does not appear to be regular. He did not consult this Residency before he leased the ground.

The leasing of Govt. building or land to a private person should be governed by para 5 of subsdiary instructions framed by the Government of India in regard to the terms of occupation of Govt. residences. The lease amount should therefore be credited to Govt. - vide Art. 1 of the Civil Account Code - Volume I.

12

Para 7.

As already explained the Pavilion is an entirely different building and no official report was received by this office regarding its erection. Under para 117 of the Central - P.W.D. Code the Sports Club will have no right of ownership over the Pavilion.

13

Para 8.

There seems to be no objection in allowing the Fair etc. to be held on the Parade ground, [redacted]

on

on condition that any damages done to the building and ground should be set right by the Police Sports Club at their expense and that the rent fixed by the Municipal Executive Engineer for the period at the rate prevailing in the locality should be credited to Government for the use of the Government land. It is entirely left to the Resident to allow it or not. For example the Resident allowed the Dog Show to be held in the Residency Grounds. The Kennel Club, Bangalore, who conducted the show derived income from the show but the Residency Grounds were let out free of rent. The present case appears to be ~~some~~ something similar.

In this connection please see paragraph 3(b) of S.N.9/285-1929 in which the Hon'ble the Resident informed the Government of India that it was proposed to make a hockey ground on the Police Parade ground. In S.N.10/285-1929 the Government of India were pleased to sanction an initial expenditure of Rs.1,500/- for making this ground and a recurring sum of Rs.750/- per annum in connection with the promotion of games and sports of the Police Force of the Civil and Military Station, Bangalore.

15

It seems that there have been two very real irregularities which we cannet easily overlook.

(1) The Pavilion should not have been erected on Government land without formal sanction of the proper authority. (The proper authority in this case is apparently the Resident; but if Commissioner of Police has power to give the sanction, then of course there has been no irregularity, provided that his formal sanction was given. This point has still to be made clear).

(2)

(2) Commissioner of Police had no right to let the ground for one day a week for six months without formal sanction of the Resident: and without the sanction of proper authority he has no right to credit the lease money to the Sports Club or to paying the cost of the Pavilion.

16 The first irregularity affects adversely the interests of the Sports Club rather than those of Government, because it has the effect of putting the Sports Club in a position in which they can exercise no right of ownership over the Pavilion and cannot claim any compensation at if at any time Govern ment should decide to demolish it or to transfer the land on which it stands to other ownership. The second irregularity is one which will have to be very carefully examined. If Government land is let out on lease for any purpose, the lease money received must ordinarily be credited to Government, and it is very doubtful whether even Resident has power to sanction its being credited to the Police Sports Club or utilised towards payment for a Pavilion constructed by the Club. We may ask Financial Adviser to advise us on this point.

17 There remains the question of the Fair and jutka pony racing proposed to be held in December. There appears to be no intrinsic objection to using Government land for this purpose, if the proceeds are to go to a suitable charitable or other purpose; and it is for Resident to decide whether permission should or should not be given. It seems open to doubt however whether it would be appropriate or proper for the Commissioner of Police to organise a Fair with pony-racing the Police Parade Ground in order to raise money for the Police Sports Club. There should be other and more suitable ways of raising money for the Club. And the suggestion to run a Fair with pony-racing totalisators for the benefit of the Residency Central Charities is one which might not appeal to some many of the supporters of the Central Charities.

Mr.

18

Mr. Sullivan is personally very keen about this proposal, and I am reluctant therefore to throw cold water on it unless it is necessary to do so; but I feel that I cannot but put forward the very strong objections which appear to me to exist. He was very anxious to speak personally to Resident about it when we were at Mysore for the Dasara; but I told him there that Resident had not yet had a chance to see the papers, and that it would be much better to postpone any request for an interview until Resident had been able to give some consideration to the question. He will probably ask to see Resident about it now when he returns from casual leave.

19	para 15(1).	The points mentioned should be cleared up.
20	para 15(2)	I agree. Apparently he let the ground simply & solely for the purpose of making money for the Police Sports Club. As regards portion marked A in Pink, surely it is wrong to hold football tournaments on the ground for making money for the Sports Club. The ground is - so I understand - intended for the recreation of the men of the Force. Once the ground is thrown open to the public football tournaments the question of race meetings for a week ensues & gate money arises. And spectators & gate money arises. And I think it is very doubtful if the ground should be used for such purposes.
21	Para 16.	Here we have a fait accompli. The A.G. may be consulted.
22	Para 17.	I don't like the idea at all: the main purpose is to make money for the Police Sports Club. The holding of dog shows or the Horse Show & Sports in the Residency grounds is a recent thing. No change is made for the use of the grounds; & my idea in granting such permission is this, namely that the area in question is never used by the Resdt. & I am glad occasionally to have the opportunity of throwing open this portion of these grounds for the enjoyment of the public free of all charge so far as the Residency is concerned. That is no doubt that the public enjoy these held in these grounds - ask the Hunt Club for instance. It is quite simple for Resdt. to refuse such permn in future. But the general opinion of the Club this is a dog-in-the-manger policy. The Resdt. does not use these grounds & he would like occasionally let the public enjoy the use of them, tho' [illegible] are [illegible]

No inconvenience to the Resident.

Paras15(1) and 19 of notes ante (Re: the construction of a pavilion on the Police Parade Ground).

Under para 117 of the Central P.W.D. Code, read with para 3, the competent authority to sanction the construction of the pavilion is the Hon'ble the Resident. As this power has not been delegated to the Commissioner of Police, he cannot exercise it. Thus, the construction of the pavilion was an irregularity which has to be regularised. This can be done by the Hon'ble the Resident according post-facto sanction to the construction of the pavilion. The cost may however have to be paid by the Police Sports Club. Even if the irregularity is condoned, and they bear the cost of the pavilion, the Police Sports Club will acquire no right of ownership over it. The power of a "Head of the Department" is only exercised by the Resident under the Fundamental Rules.

26

Paras 15(2), 16, 21 and 24 of notes ante (Re: crediting of the money realised for six months to the Police Sports Club, and utilising it for payment of the cost of the pavilion).

S.N.2 Cor. p. 3 Pz. c 11

The Commissioner of Police now says that he did not lease the land, but merely "sold the gate to save himself the trouble of collecting it." Apparently what the Commissioner means is that the wrestling matches were held by or under the auspices of the Police Sports Club and that the public were admitted into the grounds on payment of gate money which the Commissioner of Police allowed to be collected on a contract basis thus realising Rs.1200/- for six months.

If this is so, the position is some what relieved. In Madras, collection of gate money for Police Sports is permitted, and the money so collected is credited to the Police Sports Fund. Police Sports, pure and simple, may not be

practicable

practicable in Bangalore, and for this reason, Sports or Tournaments held or run by the Police Sports Club may be considered Police Sports even though private teams or individuals compete at such sports or tournaments provided that the members of the Police Force also compete. If this is conceded, the sum of Rs.1200/- already collected can be credited to the C. & M. Station Police Sports Club on the analogy of the Rules contained in Madras G.O. No.368-Judicial, dated the 29th June 1929. In this connection please see paras 4 & 8 of our letter to the Govt. of India at S.N. 9/289-1929.

Paras 17 & 22 ante (Re: the December Fete with Jutka poney racing etc.)

This question now depends mainly upon the definition of the term "Police Sports" - whether it can include also "other attractions". The Commissioner of Police says that "other attractions" are added on everywhere to Police Sports in order to induce the public to pay gate money. On the strength of this statement, perhaps it would be in order to approve of the December Fete which contains "Police Sports" with "other attractions". It would be perhaps better, however, to omit the tote and the jutka poney racing. The amount realised by the fete may be utilised for the benefit of the Police Sports Club - vide para 26 ante.

28

Para 25.

We may explain the position to Commissioner of Police and ask him now to obtain Resident's formal post facto sanction to the construction of the pavilion at the expense of the Sports Club.

29

Para 26.

It seems to me that Commissioner of Police is attributing to the rules an elasticity of meaning which is rather difficult to justify. He can charge "gate-money" from the public for admission to Police Sports and games, and can credit the amount so received to the sports fund. He says that the wrestling is organised by the Police and that some of the Police actually take part. The amount of the gate-money suggests that the entertainment approximates more closely to professional wrestling displays than legitimate police sports; but we may perhaps for the present overlook this aspect, in view of the fact that at least some members of the Police force actually do take part. Commissioner of Police has involved himself in a written agreement with the man to whom he has sold the right to collect the gate-money for six months; but I do not think that the practice of selling the right to collect the gate-money over a period of months should be allowed in future. We have to look to the good name and reputation of our Police force; and obviously commercial transactions like the present one must, I think, have a tendency to lower the prestige of the force. I suggest that the present arrangement be allowed to stand, as a special case, until the six-months agreement comes to an end, and that Commissioner of Police be allowed to credit the six-months gate-money amount to the Sports Club. At the same time, I think that he should be told

told that Resident disapproves of the practice of selling the right to collect gate-money over long periods; that the use of the Police sports ground should be permitted only for legitimate Police sports and games, or matches or tournaments in which Police teams take part; that gate-money (if it is to be taken) should be collected separately and specifically for each individual occasion or series of occasions comprising a tournament, and that the practice of selling the right to collect gate-money over longer periods should be discontinued.

30
Cor. p. 3

Para 27.

In this connection please also see S.No.2. The Commissioner of Police makes reference to "Police sports" and seeks to draw an analogy between the Metropolitan Police sports and the Aldershot and Tidworth Tattoos in England and the proposal to hold a "fair" in Bangalore, with jutka-pony racing and totalisators etc. If the Commissioner of Police had confined his proposals to legitimate Police sports or the organisation of something in the way of a Tattoo, there could have been no grounds for objection; the proposal is, however, as far as I can see it, in the main for organisation of a "fair", with jutka-pony racing and totalisators etc., and with "police sports" thrown in as a minor item on the programme, in order to give an appearance of legitimacy to the show. (Police sports were not even mentioned in S.No.1; that letter referred only to the "fair" and the jutka-pony racing; and it is only in S.No.2 that we find the proposal to "combine Police sports with other attractions"). As I remarked in the previous paragraph, we have to look to the good name and reputation of our Police force; and it seems to me utterly wrong in principle for the Police force to take up organisation of a fair with pony racing as a means of raising money either for its own

A

32 Paras 29 & 30. I think that your views are quite correct. The Commr of Police may be addressed accordingly & in doing so I think that we should point out to him as at A in para 30.

35 I told Mr. Sullivan verbally what Resident's decision was about his proposed fair and jutka-pony racing in December, and told him that he would get a demi-official letter from me in due course.

36 Mr. Sullivan now wants to know whether Resident would have any objection to:-

(a) A show of jutka-ponies and jutka-pony racing without anything in the way of totalisators. (Commissioner of Police is the Registering officer for jutkas: he therefore feels that they come legitimately enough under his control to be included in an occasion of this kind: and he could, if necessary, put policemen up to ride the jutka-ponies in all or some of the races).

(b) A certain number of "stalls" taken by recognised tradesmen of Bangalore for the sale of refreshments, cigarettes, etc.

37 I said to him that it seemed to me quite possible that Resident might have no objection to either of these. The show of jutka-ponies and the jutka-pony racing, if there were no totalisators, might reasonably enough be regarded as part of mounted Police Sports: and there seemed to be nothing out of the way in having some stalls for refreshments etc., on an occasion of this sort.

38 Mr. Sullivan is very anxious to have an opportunity of seeing Resident during his visit to Bangalore from 10 to 12th November in order to explain some of these proposals personally. He promises that he would not take more than ten minutes of Resident's time.

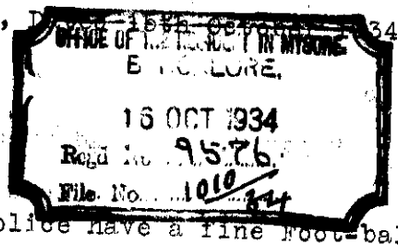
Office of the Commissioner of Police,

Civil and Military Station,

Bangalore, D[illegible] October 1934.



My dear Edwards,

You are aware that the Police have a fine Foot-ball field in Bangalore. The Pavilion on it was constructed by Mr. Chinnaswamy Mudaliar who intended to make us a present of it and I got Sir Richard Burke's sanction to accept it. Since then Mr. Chinnaswamy Mudaliar has incurred heavy losses over the arrack shop contract and has asked us to pay him Rs.2000/-, for the pavilion. I regard it as essential to pay this debt, before I leave Bangalore next March.

The Foot-ball Association has treated the Police in very scurvy fashion as they have given to the C. of E. ground a practical monopoly of football and have only allotted to the Police the months of February and April 1935 for two tournaments as against 8 months to the C. of E. ground for seven tournaments so that there is no possibility of paying up this debt out of Foot-ball Tournament proceeds. I have been able to let the ground for one day a week for 6 months for Rs. 1200/- but have to raise another Rs. 800/-. I propose to hold a Fair in December with Jutka pony racing as one of the attractions. The Race Club think it is a good idea. Racing without a tote would not pay. Under Section 26 of the Bangalore Police Law I am empowered to sanction a tote but I hesitate to do so without the Resident's approval. I suggest licensing two totes one with Rs.2/-tickets the other with Re.1/- tickets and I also intend to give at least 25% of the net profits to the Residency Central Charity. Will you please ask the Resident whether he has any objection to the tote and whether he may be put down as a patron of the Fair?. As prizes are given for the best cared for jutka pony these jutka

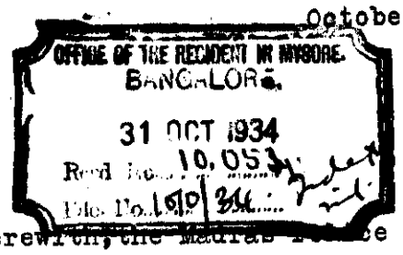
Bangalore,

October 31st,1934.



(C)

My dear Edwards,

I send,herewith,the Madras Police Gazette dated the 7th September,1929.You will observe that the collection of a gate and the selling of refreshments in aid of the District Sports Fund are perfectly legitimate means to collect funds.When I reported that I had leased the ground for wrestling I used the wrong expression. What I did was to sell the gate.If I can collect a gate I can ob-viously sell it to save myself the trouble of collecting it.The wrestling is run by the Police and some of the Police actually wrestle.

It would be impossible,in Bangalore,to collect any gate at all for ordinary Police Sports as Regimental Sports are on a much bigger scale and are open to the Public.What we want to do in December is to combine Police Sports with other attractions in order to induce the public to pay gate money.This is done everywhere.Sports,by them-selves,unless really first-class are not worth watching.

The idea that Govt. have any claim whatever on the money because they happen to own the actual land is so entirely novel to me that I had not thought of quoting the Madras Orders.The Aldershot and Tidworth Tattoos are run for the purpose of raising money for Army charities. They are run on Govt land.

4J

The Metropolitan Police Sports at Imber Court and various other Police Sports in England are run for the purpose of raising money for the Police Sports Funds. They are run on Govt land.

In Bangalore I have not been able to run any Police Sports up to date as we have no money to run them. I was given only Rs 1500 to make a ground and it has cost me Rs 8000. Up till 1933 I was able to raise money by means of football but I can no longer make any money out of that as previously explained. Sports cost about Rs 1000 and the Government grant is only Rs 700. Most of the Government grant is spent on games and upkeep and we shall never have any Sports at all unless we can raise additional money. A perusal of the Madras Police Gazette shows that the Madras Govt. are alive to the fact that the Govt. grant does not cover the cost of Sports. I saw Mr Kuppuswamy and he says there is no audit objection whatever to my proposal.

I request I may have very early orders as there is an enormous amount of spade work to be done .

Yours sincerely

I am desired to refer to your demi-official letter No.280/34, dated 15th October 1934, and subsequent letter of 31st October, on the subject of your proposal to hold a fair with jutka-pony racing on the Police Sports Ground in December next.

2. I am to point out in the first place that as the Police Sports Ground is Government land and part of the official Police Parade Ground, the pavilion should not have been erected on the ground without the previous sanction of the local Government. The Resident is the only local authority competent to sanction the construction of any building on Government land in the Civil and Military Station; and it does not appear that any formal sanction in writing was ever obtained from him for the construction of the pavilion at the cost of the Police Sports Club. I am to ask you to take steps to ensure that the necessary sanction

is

is obtained in all such cases in future; and in order to regularise the existing position now, I am to request you to submit a formal application for the Resident's post facto sanction to the construction of the pavilion.

3. The Resident is not prepared to give his sanction or approval to the organisation of a fair, with jutka-pony racing and totalisators etc., on the Police Parade Ground with the object of raising money either for the Police Sports Club or for any other purpose. He sees no analogy between the Metropolitan Police Sports and the Aldershot and Tidworth Tattoos, which are legitimate police sports and military displays, and the organisation of a fair, with pony-racing and totalisators etc. Had your proposals been confined to legitimate Police Sports or to the organisation of something in the nature of a Tattoo, there could have been no grounds for objection. Your proposal however, as the Resident sees it, is in the main for a fair with jutka-pony racing and totalisators etc., and with "Police Sports" thrown in as a minor item on the programme, in order to give an appearance of legitimacy to the show. He has remarked that "Police Sports" were not even mentioned in

17

in your letter of 15th October, which referred only to the proposed fair and jutka-pony racing. The first reference to "Police Sports" was contained in your letter of 31st October.

4. I am desired therefore to say that while you can charge "gate-money" from the public for admission to Police Sports and games on the Police Sports Ground, the Resident is strongly of the opinion that the use of the ground in this manner must be confined strictly to legitimate Police sports and games, and any side attractions which can properly accompany them; and he is not prepared to allow an elasticity of meaning to be attributed to the rules which they do not on the face of them possess.

5. It is noted that you have by a written agreement sold to a private person the right to collect "gate-money" from the public for admission to wrestling-matches on the Police Sports Ground over a period of six months. I am to say that the Resident does not approve of the practice of selling the right to collect gate-money over long periods; that the use of the Police Sports Ground should be permitted only for legitimate Police Sports and games, or matches or

tournaments

(8)

tournaments in which Police teams take part; that gate-money (if it is to be taken) should be collected separately and specifically for each individual occasion, or series of occasions comprising a tournament; and that the practice of selling the right to collect gate-money over longer periods should be discontinued.

6. I have explained at some length the general principles which the Resident considers should apply to the use of the Police Sports Ground. I am now to return to you your copy of the Madras Police Gazette dated the 7th September 1929, and to ask you to submit for the Resident's approval a draft set of rules to govern the use of the Police Sports Ground and the conduct of Police Sports and games in the Civil & Military Station of Bangalore.

Yours Sincerely

With reference to your D. O. No. F.1010-34/R.O. II dated the 17th November on the subject of Police Sports I wish to point out that the assumption that I built the pavilion without sanction is not at all correct. Sir Richard Burke, who took a great interest in the Police Sports Ground and frequently visited it, himself suggested the erection of the pavilion. He saw it while it was under construction and after its completion. He held that no formal sanction to erect the pavilion was necessary as he was of opinion that a pavilion erected solely for the purpose of protecting spectators from sun and rain situated at the edge of a football field and is an integral part of the football field and as such comes within the purview of the Government order which empowers the Police to spend money on the preparation of grounds including the making of hockey and football fields and Sports courses with their paraphernalia. Under the circumstances I wish to enquire whether the Hon'ble the

10)

Resident still requires me to apply for post factum sanction.

The drafting of rules will take me some time and I will reply to the rest of your letter later.

Yours sincerely,

I am to say that there was no suggestion that the pavilion had been erected without the knowledge or informal approval of the Resident. 2. I enclose a draft set of rules. I ascertained from the Inspector General of Police, Madras that there are no rules regarding the type of geme or sport that may be played on a Police Sports Ground but that no exception would be taken in Madras to anything in the nature of a Fete such as the Friend-in-Need Fete organised by Lady Beatrix Stanley, provided, however, that the sideshows were innocent amusements. The rules I have drafted seem to me to cover all the points mentioned in your letter.

RULES GOVERNING THE USE OF THE POLICE PARADE GROUND FOR SPORTS AND GAMES.

---:oOo:---

1. May be used for sports and games.

The Police parade ground is primarily a parade ground but when not required for that purpose is at the disposal of the Police Force for the purpose of games and sports.

2. Meaning of the term 'Sports' and Games'

The term "Games and Sports" includes all games such as football, hockey, cricket, lacrosse, tennis badminton and the like and the term sports includes boxing, wrestling and all forms of athletics.

In addition to the above the Commissioner of Police may hold pagal gymkhanas and combine, with sports or pagal gymkhanas sideshows of a purely innocent nature.

3. Buildings.

No building of a permanent nature may be erected without the previous sanction in writing of the Hon'ble the Resident.

No building may be dismantled, added to or altered except with the previous sanction in writing of the Hon'ble the Resident.

Temporary buildings may be erected for any purpose connected with games, sports or gymkhanas but if they are constructed of inflammable materials they shall not be erected within 75 feet of a permanent building.

4. Trees.

No tree may be felled except with the previous permission of the Hon'ble the Resident. If any tree is felled the proceeds of the sale of the timber must be credited to Government under the heading "miscellaneous receipts".

Subject to the above rules the Commissioner may make such alterations and improvements as he

[redacted]rable, such as the preparation of new tennis courts, levelling of ground, planting of trees and etc., i.e., the Commissioner of Police has the same rights as are possessed by a lessee of Government land.

5. Subscriptions. No subscription may be collected from Police Officers or the public for any purpose other than the ordinary entrance fees and subscriptions which are paid by those persons who are members of the tennis club, and the entrance fees for tournaments.

6. Gate money & refreshments. Gate money may be charged for admission to Sports or Games and refreshments may be sold. The right to collect gate money may be sold provided the Commissioner of Police thinks it advisable, but only for limited periods such as the duration of a single tournament or less. Similarly the right to sell refreshments for a single tournament or sports meeting may be sold to a recognised firm of caterers.

7. Disposal of money collected. All receipts from gates and refreshments shall be credited to the Bangalore C & M Station Police Sports' Fund. This Fund shall be managed by the Commissioner of Police and a Committee of not less than six members elected by the members of the Police Force. The accounts shall be audited by the Resident's Treasury Officer every year and the audited accounts shall be submitted to the Hon'ble the Resident.

8. Government Grant. An annual grant of Rs. 750/- has been sanctioned for Sports. The objects on which the Government grant for Police Sports and the Station Police Sports' Fund may be spent are specified in Annexure I and II to this order.

RULES GOVERNING THE USE OF THE POLICE PARADE GROUND FOR POLICE SPORTS AND GAMES.

My dear Milton,

Will you please refer to the draft rules forwarded with Sullivan's demi-official letter No.1508/G/34, dated the 18th December 1934.

It has been suggested that in the first paragraph of Rule 2, after the words "all forms of athletics" the following should be added:- "provided, however, that the ground shall not be available for professional boxing or wrestling displays". Would you please let me have your views on this suggestion ?

I am also to enquire whether you think that the Rules should be promulgated as Rules framed by the Resident, or as Rules framed by the Commissioner of Police with the approval of the Resident. The Madras Rules were, I believe, promulgated by the local Government; so it would perhaps be better that

in

in Bangalore also they should be issued as Miles made by the Resident.

Proceedings of the Hon'ble the Resident in Mysore.

No. F. 1010-34/R.O. II, dated Bangalore, the 25th June 1935.

The Hon'ble the Resident is pleased to make the following rules to govern the use of the Police Parade Ground for sports purposes and for the conduct of Police Sports and games in the Civil and Military Station of Bangalore. These rules shall come into force with effect from the 1st July 1935.

RULES.

1. **May be used for sports and games.**—The Police Parade Ground is primarily a parade ground, but when not required for that purpose is at the disposal of the Police Force for the purpose of games and sports.

2. **Meaning of the term "Sports" and "Games."**—The term "Games and Sports" includes all games such as football, hockey, cricket, lacrosse, tennis, badminton, and the like; and the term "sports" includes boxing, wrestling, and all forms of athletics, provided, however, that the ground shall not be available for professional boxing or wrestling displays.

In addition to the above, the Commissioner of Police may hold pagal gymkhanas and may combine with such sports or pagal gymkhanas sideshows of a purely innocent nature.

3. **Buildings.**—No building of a permanent nature may be erected without the previous sanction in writing of the Hon'ble the Resident.

No building may be dismantled, added to, or altered, except with the previous sanction in writing of the Hon'ble the Resident.

Temporary buildings may be erected for any purpose connected with games, sports, or gymkhanas; but if they are constructed of inflammable materials they shall not be erected within 75 feet of a permanent building.

4. **Trees, etc.**—No tree may be felled except with the previous permission of the Hon'ble the Resident. If any tree is felled, the proceeds of the sale of the timber must be credited to Government under the heading "Miscellaneous receipts."

Subject to the above rules the Commissioner may make such alterations and improvements as he may consider desirable, such as the preparation of new tennis courts, levelling of ground, planting of trees, etc., provided however that such alterations and improvements are not likely to make the ground unsuitable for its main purpose as a Police Parade Ground.

5. **Subscriptions.**—No subscription may be collected from Police Officers or from the public for any purpose other than the ordinary entrance fees, the subscriptions paid by members of the tennis club, and the entrance fees for tournaments.

6. **Gate money and refreshments.**—Gate money may be charged for admission to Sports or Games; and refreshments may be sold. The right to collect gate money may be sold at the discretion of the Commissioner of Police, but only for limited periods such as the duration of a single tournament or less. Similarly the right to sell refreshments for a single tournament or sports meeting may be sold to a recognised firm of caterers.

7. **Disposal of money collected.**—All receipts from gates and refreshments shall be credited to the Bangalore Civil and Military Station Police Sports Fund. This Fund shall be managed by the Commissioner of Police and a Committee of not less than six members elected by the members of the Police Force. The accounts shall be audited each year by the Officer in Charge of the Hon'ble the Resident's Treasury; and the audited accounts shall be submitted for the information of the Hon'ble the Resident.

8. **Government Grant.**—An annual grant of Rs. 750 has been sanctioned for sports. The objects on which the Government grant for Police Sports and the Station Police Sports Fund may be spent are specified in Annexures I and II to these rules.

Proceedings of the Hon'ble the Resident in Mysore.

No. F. 1010-34/R.O. II, dated Bangalore, the 25th June 1935.

The Hon'ble the Resident is pleased to make the following rules to govern the use of the Police Parade Ground for sports purposes and for the conduct of Police Sports and games in the Civil and Military Station of Bangalore. These rules shall come into force with effect from the 1st July 1935.

RULES.

1. **May be used for sports and games.**—The Police Parade Ground is primarily a parade ground, but when not required for that purpose is at the disposal of the Police Force for the purpose of games and sports.

2. **Meaning of the term "Sports" and "Games."**—The term "Games and Sports" includes all games such as football, hockey, cricket, lacrosse, tennis, badminton, and the like; and the term "sports" includes boxing, wrestling, and all forms of athletics, provided, however, that the ground shall not be available for professional boxing or wrestling displays.

In addition to the above, the Commissioner of Police may hold pagal gymkhanas and may combine with such sports or pagal gymkhanas sideshows of a purely innocent nature.

3. **Buildings.**—No building of a permanent nature may be erected without the previous sanction in writing of the Hon'ble the Resident.

No building may be dismantled, added to, or altered, except with the previous sanction in writing of the Hon'ble the Resident.

Temporary buildings may be erected for any purpose connected with games, sports, or gymkhanas; but if they are constructed of inflammable materials they shall not be erected within 75 feet of a permanent building.

4. **Trees, etc.**—No tree may be felled except with the previous permission of the Hon'ble the Resident. If any tree is felled, the proceeds of the sale of the timber must be credited to Government under the heading "Miscellaneous receipts."

Subject to the above rules the Commissioner may make such alterations and improvements as he may consider desirable, such as the preparation of new tennis courts, levelling of ground, planting of trees, etc., provided however that such alterations and improvements are not likely to make the ground unsuitable for its main purpose as a Police Parade Ground.

5. **Subscriptions.**—No subscription may be collected from Police Officers or from the public for any purpose other than the ordinary entrance fees, the subscriptions paid by members of the tennis club, and the entrance fees for tournaments.

6. **Gate money and refreshments.**—Gate money may be charged for admission to Sports or Games; and refreshments may be sold. The right to collect gate money may be sold at the discretion of the Commissioner of Police, but only for limited periods such as the duration of a single tournament or less. Similarly the right to sell refreshments for a single tournament or sports meeting may be sold to a recognised firm of caterers.

7. **Disposal of money collected.**—All receipts from gates and refreshments shall be credited to the Bangalore Civil and Military Station Police Sports Fund. This Fund shall be managed by the Commissioner of Police and a Committee of not less than six members elected by the members of the Police Force. The accounts shall be audited each year by the Officer in Charge of the Hon'ble the Resident's Treasury; and the audited accounts shall be submitted for the information of the Hon'ble the Resident.

8. **Government Grant.**—An annual grant of Rs. 750 has been sanctioned for sports. The objects on which the Government grant for Police Sports and the Station Police Sports Fund may be spent are specified in Annexures I and II to these rules.

3. **Buildings.**—No building of a permanent nature may be erected without the previous sanction in writing of the Hon'ble the Resident.

No building may be dismantled, added to, or altered, except with the previous sanction in writing of the Hon'ble the Resident.

Temporary buildings may be erected for any purpose connected with games, sports, or gymkhanas; but if they are constructed of inflammable materials they shall not be erected within 75 feet of a permanent building.

4. **Trees, etc.**—No tree may be felled except with the previous permission of the Hon'ble the Resident. If any tree is felled, the proceeds of the sale of the timber must be credited to Government under the heading "Miscellaneous receipts."

Subject to the above rules the Commissioner may make such alterations and improvements as he may consider desirable, such as the preparation of new tennis courts, levelling of ground, planting of trees, etc., provided however that such alterations and improvements are not likely to make the ground unsuitable for its main purpose as a Police Parade Ground.

5. **Subscriptions.**—No subscription may be collected from Police Officers or from the public for any purpose other than the ordinary entrance fees, the subscriptions paid by members of the tennis club, and the entrance fees for tournaments.

6. **Gate money and refreshments.**—Gate money may be charged for admission to Sports or Games; and refreshments may be sold. The right to collect gate money may be sold at the discretion of the Commissioner of Police, but only for limited periods such as the duration of a single tournament or less. Similarly the right to sell refreshments for a single tournament or sports meeting may be sold to a recognised firm of caterers.

7. **Disposal of money collected.**—All receipts from gates and refreshments shall be credited to the Bangalore Civil and Military Station Police Sports Fund. This Fund shall be managed by the Commissioner of Police and a Committee of not less than six members elected by the members of the Police Force. The accounts shall be audited each year by the Officer in Charge of the Hon'ble the Resident's Treasury; and the audited accounts shall be submitted for the information of the Hon'ble the Resident.

8. **Government Grant.**—An annual grant of Rs. 750 has been sanctioned for sports. The objects on which the Government grant for Police Sports and the Station Police Sports Fund may be spent are specified in Annexures I and II to these rules.

[Annexures]

Proceedings of the Hon'ble the Resident in Mysore.

No. F. 1010-34/R.O. II, dated Bangalore, the 25th June 1935.

The Hon'ble the Resident is pleased to make the following rules to govern the use of the Police Parade Ground for sports purposes and for the conduct of Police Sports and games in the Civil and Military Station of Bangalore. These rules shall come into force with effect from the 1st July 1935.

RULES.

1. May be used for sports and games.—The Police Parade Ground is primarily a parade ground, but when not required for that purpose is at the disposal of the Police Force for the purpose of games and sports.

2. Meaning of the term "Sports" and "Games."—The term "Games and Sports" includes all games such as football, hockey, cricket, lacrosse, tennis, badminton, and the like; and the term "sports" includes boxing, wrestling, and all forms of athletics, provided, however, that the ground shall not be available for professional boxing or wrestling displays.

In addition to the above, the Commissioner of Police may hold pagal gymkhanas and may combine with such sports or pagal gymkhanas sideshows of a purely innocent nature.

3. Buildings.—No building of a permanent nature may be erected without the previous sanction in writing of the Hon'ble the Resident.

No building may be dismantled, added to, or altered, except with the previous sanction in writing of the Hon'ble the Resident.

Temporary buildings may be erected for any purpose connected with games, sports, or gymkhanas; but if they are constructed of inflammable materials they shall not be erected within 75 feet of a permanent building.

4. Trees, etc.—No tree may be felled except with the previous permission of the Hon'ble the Resident. If any tree is felled, the proceeds of the sale of the timber must be credited to Government under the heading "Miscellaneous receipts."

Subject to the above rules the Commissioner may make such alterations and improvements as he may consider desirable, such as the preparation of new tennis courts, levelling of ground, planting of trees, etc., provided however that such alterations and improvements are not likely to make the ground unsuitable for its main purpose as a Police Parade Ground.

5. Subscriptions.—No subscription may be collected from Police Officers or from the public for any purpose other than the ordinary entrance fees, the subscriptions paid by members of the tennis club, and the entrance fees for tournaments.

6. Gate money and refreshments.—Gate money may be charged for admission to Sports or Games; and refreshments may be sold.
